

KSS: TEAMWORK KEY TO ATTAINING SUCCESS

PTT Philippines Corporation President & CEO Khun Sukanya Seriyothin has underscored teamwork as a key to success when she addressed the PTT Family in her first Town Hall Meeting since her return to the Philippines to lead the company anew. Showing a video on the wisdom of Geese, Ms. Seriyothin stressed the significance of support, leadership, mentorship, and shared responsibility to achieving success in the company. “Everyone has a role towards achieving success and we need to work together for the betterment,” she averred. Marketing Director Khun Athiwat Rattanakorn, for his part, echoed the PTTOR mantra of “stronger together for betterment”, while Corporate Support Director Paul Senador shared the purpose of holding the Town Hall Meeting. Training Academy Manager Jonathan Espino provided the safety moment with his short talk about safety positive attitude that could also lead to positive results

PTT FAMILY REMINDED OF GOOD CORPORATE GOVERNANCE

Officers and staff were reminded anew of the company procedures aligned with the company policy and direction during an online briefing on the Corporate Governance. Corporate Support Director Paul Senador facilitated the briefing to open a communication between the management and staff relative to the structure of rules, practices, and processes being used and implemented by the company. Majority of employees, including several newly-hired, were apprised with some of the key company policies that are essential in the performance of their respective duties.

OIL PLAYERS CALLED TO CONGRESSIONAL MEETING ON RISING OIL PRICES

Players in the local oil industry and officials of the Department of Energy (DOE) were recently called to a meeting with House Speaker Martin Romualdez to discuss measures to address the series of oil price hikes. PTT Philippines as one of the members of the Philippine Institute of Petroleum (PIP) was among those invited together with representatives from Petron, Pilipinas Shell, Chevron, Total, and Isla. PTT Philippines was represented by Retail Marketing Manager Conrad Young and Jay Julian of Corporate Communications. House Speaker Ferdinand Martin Romualdez and some congressional leaders discussed with oil industry players possible ways on how to mitigate the impact of the oil price hikes. Measures are currently being finalized with the DOE.

OIL SPILL RESPONSE CONDUCTED ANEW IN BATAAN

Member companies of the Philippine institute of Petroleum (PIP), including PTT Philippines, has conducted another round of Waterborne Industry Spill Equipment (WISE) – Oil Spill Response Exercise in Lamao, Limay, Bataan. The activity was aimed at showcasing the response capabilities of PIP members and all of its partners in terms of manpower, equipment, and other resources. Among these activities include were safety briefing by the Philippine Ports Authority (PPA) Safety Officer, drill scenario and response overview, offshore simulation response, post-drill debriefing, and conclusion of drill. Apart from PIP member-companies, other partners in this project are the DOE, Philippine Coast Guard, PPA, and the Malaysian Towage and Salvage Corp.

MARKETERS UNDERGO RETOOLING PROGRAM

Marketers recently went through refresher activities to increase their competencies and have them updated with current company procedures in a Marketers Retooling Program facilitated by the Retail Academy team. The two-day face-to-face trainings were conducted at PTT Training Center in Quezon City with representatives from various departments acting as resource persons. "This is part of our refresher efforts for our Marketing people to improve their competencies, including duties and responsibilities aside from giving them some updates in our procedures," said Manager Jonathan Espino of the Training Academy. A new batch of employees, meanwhile, underwent a hybrid orientation last September 13 to give them an opportunity to fully understand the company business operations. The third batch of new employees were toured to various PTT facilities including the depots in Subic Bay Freeport Zone.

QSHE HOLDS SEMINAR ON EMERGENCY RESILIENCY AWARENESS

PTT Philippines' QSHE team has tapped the Olongapo City Disaster Risk Reduction & Management Office to conduct an Emergency Resiliency Awareness seminar for PTT employees. The seminar was aimed at providing information to PTT employees on how to prepare for any disastrous situation. Jeffrey Lapid, Operations & Warning Division Chief of the DRRMO shared to the participants, both virtual and face-to-face, the basics of Philippine Disaster Management System. Meanwhile, the HR Department also conducted a separate webinar on government-mandated benefits, this time, with officers from Pag-IBIG Fund as resource persons to share latest update on membership savings and other benefits. Grace Reyes, Fund Members Services Officer, and Marketing Specialist Christina Pablo tackled both the mandatory and voluntary savings and the corresponding loan programs that members could avail of.

CAFÉ AMAZON ANNUAL AUDIT

PTTOR completed its annual audit at three Café Amazon stores in Quezon City and Pasig City. The audit from September 11 to 13 was conducted at Café Amazon JP Rizal, Café Amazon Manhattan, and Café Amazon Cyber Omega. Business Partner Development Manager Karen Gorospe said the annual audit was part of maintaining Café Amazon's high standards across all branches while also training baristas on new industry trends.
