

PTT Paaral Program gives joy to Pampanga, Pasay students; donates school supplies

More than a hundred of public elementary school children received their early Christmas gifts as PTT Philippines' "Paaral Program" went to two different schools in Pampanga and Pasay City to distribute school supplies and other learning materials. PTT Philippines Foundation CSR officer Dennis Cuarto said around 150 students from San Nicolas Elementary School in San Nicolas, Masantol, Pampanga and Villamor Air Base Elementary School in Pasay City received school bags and other school supplies. Their respective schools also received other materials such whiteboard, marking pens, eraser, chalk, and Manila paper, among others. PTT Philippines Corporation President & CEO Khun Sukanya Seriyothin joined the event to personally hand-over the school materials to student beneficiaries. He was joined by Corporate Support Director Paul Senador and other PTT staff. PTT Paaral Program is supported by the Department of Education, the local government units, and the Philippine Air Force.

PTT Philippines executives led by Marketing Director Athiwat Rattanakorn visited the trade show and personally witnessed the successful event.

Basic Refresher on Fall Incident Rescue

The QSHE Team has conducted a Basic Refresher Course on Fall Incident Rescue as part of its preparation for an upcoming fire drill in Cubi Aviation. The training program was aimed at revisiting the procedures and techniques in rescuing a person involved in a falling incident. "It's crucial to approach fall incidents with care to ensure the safety of both the rescuer and the individual in distress," Safety Officer Christian Domingo said, adding that the program was also in compliance with Rule No. 1030 of Occupational Health and Safety Standards.

PTT Philippines cited for recyclable collection drive

PTT Philippines recently participated in the Recyclables Collection Event (RCE) organized by SBMA Ecology Center in partnership with the Environmental Management Bureau of the Department of Environment and Natural Resources (EMB-DENR) Region 3 and ABS-CBN's Bantay Baterya and Bantay Langis Project. PTT's participation in the "13th SBMA Recyclables Collection Event for Hazardous Waste" was part of its training program for the disposal of hazardous wastes pursuant to Republic Act 9292 (Toxic Substances and Hazardous and Nuclear Waste Control Act of 1990). QSHE's Christian Domingo said proceeds from the event will be donated to ABS-CBN Lingkod kapamilya Foundation, Inc. to fund the environment projects of Bantay Kalikasan. During the event, PTT Philippines was cited for its recycle collection campaign during the 12 cycle of the program.
